

Take a practice SAT® or ACT® with our friends at Revolution Prep

The SAT and ACT, which cover the entirety of your child's high school learning, can seem daunting and overwhelming, but if your child is prepared, they'll feel less overwhelmed. **The best way to prepare is to practice.**

Proctored practice tests are an opportunity for your child to work on pacing and endurance in a setting that best simulates the test day environment. Plus, you can see your child's score instantly in the Revolution Prep mobile app. So remember to pack a smartphone!

How it works
